

PAINT AND INTERIOR PROTECTION KIT

The **Apex Auto Shield Paint & Interior Protection Kit** is a complete vehicle protection system designed for dealerships and professional detailers. Treating **up to 12 vehicles**, it combines advanced nano paint protection with dedicated leather and fabric coatings to safeguard both exterior and interior surfaces in one efficient package — ideal for pre-delivery programs and premium protection offerings.

KEY HIGHLIGHTS

- Complete paint, leather, and fabric protection system
- Treats up to 12 vehicles per kit
- High-gloss nano paint coating with hydrophobic finish
- Leather Shield preserves softness, sheen, and durability
- Fabric Coat helps resist stains, spills, and everyday wear
- Enables premium “full vehicle protection” packages
- Consistent, professional results across interior and exterior
- Backed by a 1-year warranty
